

Food Pantry Donations

Heart to Heart gladly accepts donations of goods in addition to monetary donations. All non-perishable donations are to be delivered directly to First Community South and left in the alley outside the kitchen on the cart marked for this purpose. Look for the directional signs in the parking lot. If you have a perishable donation (fruit, meat, etc.), please visit h2h.FCchurch.com/donate for instructions.

We welcome your contributions of unopened, non-expired, self-stable food, personal care, pet food, and baby care items anytime. If you're looking for inspiration, please consider this list of our donation drives themes for the year. Each month, we will focus on collecting a single food or category of items. Suggestions can be found online at h2h.FCchurch.com/donate.

| | |
